Hi Joella,

2/28 or 3/6 work for me. When you say you want information on "our respective areas in 2018" are you talking about developments and other events that might be impacted by filming?

We would also want to bring up some of the other issues we've heard from our constituents.

Thank you for organizing.  
Rena

**Subject:** FILMLA 2018 Briefing

Hi all. Happy Monday! How is January almost already gone?!

I would like to coordinate a lunch meeting where we all go in and brief FILMLA on what's coming on line, what's going on in our respective areas in 2018 so they can advise their internal team and location scouts.

I would like each BID to do a brief presentation - Power Point or Printed Materials. Let's say 10 minutes max... nuts and bolts only. We can also address any concerns we have directly with them as to specifics within respective areas and/or DTLA as a whole.

The best activity will be putting faces to the emails we all receive!

I would like to propose the following dates -

2/28, 3/1, 3/6 from 12 - 2pm

It would be at FILM LA's venue in Hollywood! They will be providing lunch.

I look forward to hearing from you soon on which day works best. Please advise asap.

Best,

**Joella Hopkins**
